AND GROWING...

Please note that not all of our channels have a detailed content description in the following brief. If you believe you have content that could be suitable for the channels which aren't mentioned, please don't hesitate to ask for more information and share any titles you think would be a good fit.

FREE DOCUMENTARY / FREE DOCUMENTARY ESPAÑOL

Feature docs (90+ mins)

Longform series and single docs (45-60 mins)

Midform content (5-20 mins)

English, Spanish and/or French Language

1. Edgy community-focused stories from all over the world, especially in developing countries and the USA, mainly filmed on location.
2. Dangerous and treacherous transportation and places. Stories that highlight the key social issues of the area(s) featured. E.g. **Deadliest Roads**
3. Access inside prisons, mental health/rehabilitation facilities, and other means of confinement, especially with interview access to inmates. Overcrowded facilities, children's wards, and facilities where drug use and/or allegations of corruption are rife. E.g. **Behind Bars**
4. On-the-ground explorations of dangerous locations and communities, with interview access to criminals and gangs. E.g. **No-Go Zones**
5. Stories from extraordinary looking places E.g. **Somewhere on Earth**
6. Everyday people's struggle in remote and disadvantaged locations. E.g. **Most Dangerous Ways to School**

ENDEVR

Feature documentaries (90+ mins)

Longform content (45-60 mins)

Midform content (5-20 mins)

1. Access to pirates across the globe.
2. Investigative docs about corruption in politics, healthcare, food, media, big business and comparable institutions (US and Asia centric).
3. Extreme Health & Food Cases.
4. Access to vigilante communities across the globe - people who are opposed to established institutions.
5. Access to isolated communities across the globe E.g. Amish, Mennonites, North Sentinel Islanders, and Travellers.
6. Poverty in the USA: human-interest and community stories from the poorest and most dangerous places in America from a political point of view.
7. Current Affairs and Conflict.

FD HISTORY / ANCIENT HISTORY

Feature docs (90+ mins)

Longform content (45-60 mins)

Note: No content solely made from archive and stock footage.

1. World War II content, including the Asia-Pacific War, Vietnam War especially archive footage in colour.
2. Archive footage in colour from major cities (e.g. New York, San Francisco, Berlin, Paris etc.)
3. Historical Conspiracies (Moon Landing, Area 51, Crop Circles)
4. Ancient History & Ancient engineering marvels.
5. War over the last 100 years.
